NOTE TO ALL OUR READERS: In order to give you the best CONDOM-FREE adult entertainment, ALL our models are required to take HIV tests before each photo session. That's why you don't see any condoms in Pirat. But Pirat highly recommends that you use condoms in your private sex life in case you're not sure of your status or your partner's. **DON'T BE A FOO, WEAR A CONDOM!**

PIRATE NEWS

"I live just North of Chicago with my wife and three children. I did not start to photograph women until a few years ago, when I was already in my forties. In fact, I know very little about photography, and have always been more influenced by books and music, by Allen Ginsberg and William S. Burroughs, by Nietzsche and Foucault, by the Jefferson Airplane and Jimi Hendrix. Since I work mostly by instinct, I have been forced to make up my own rules. As Burroughs said, 'Nothing is true. Everything is permitted'. Most of my models are just women that I meet in Chicago. They are average girls, not porn stars, and many are

posing for the first time. This can be very exciting for both the model and myself. For me, photography is an act of love, and an act of subversion."

This is Lee Higgs, author of "Generation fetish", published by Goliath in English, German, French, Spanish and Italian.

A great fetish book containing 330 photos Pirate strongly recommends!

Visit www.goliathbooks.com for distribution information.

Lee will join the Pirate family of pervert photographers in issue 69, with "Stiletto" (left) and 2 studs. Welcome to Pirate, Mr. Higgs!
